X	2018	Maharashtra State Board	90.20	-

## WORK EXPERIENCE

### **Web Development and Designing Intern –(Simplbyte)**

[Mar 2023 –Apr 2023](#)

- Successfully completed a one-month Web Development and Designing internship with Simplbyte.
- Focused on gaining hands-on experience in web development and designing.
- Displayed a strong work ethic and a proactive willingness to learn new technologies.

## PROJECTS

---

### Online Loan Management System (Agile Methodology)

[DEC 2023 – PRESENT](#)

Currently working on a project of Online Loan Management system as a team leader with the help of Agile Methodology.

### Admission Inquiry Chatbot System

Designed and developed an intelligent chatbot system to streamline the admission inquiry process. This chatbot efficiently interacts with prospective students, providing instant responses to their queries related to admission requirements, application procedures, deadlines, and other relevant information.

### Realtime Chat Application

[GitHub Link](#)

Developed a fully functional Realtime Chat Application using Node.js and Socket.IO to enable instant communication between users. Implemented features such as real-time messaging, user authentication, and message history storage.

## CERTIFICATIONS

---

### Programming In C++ | Udemy

I was awarded the esteemed "Elite Certificate" by Udemy.
